Teaching Record

University of North Carolina at Chapel Hill. School of Media and Journalism July 2002-present.

JOMC 153 Newswriting. 3 credits. Study of news story elements, writing of leads, organization and writing of various types of news stories. (Taught 45 times from Fall 2002 through Fall 2016. Rewrote course content to teach online Summer 2007 through Summer 2016.)

JOMC 450 Business and the Media. 3 credits. *Developed new course*. Examination of the role and effects of the business press in American society. Review of relationships between media and business world through review of Ida Tarbell’s reporting on monopolies, Upton Sinclair and the food industry, Ralph Nader and the auto industry, up to current coverage of Enron, WorldCom and other financial scandals. Also review of current issues in business journalism. (Taught 10 times through Spring 2016.)

JOMC 451 Economics Reporting. 3 credits. *Developed new course*. Coverage of Wall Street and the economy, focusing on how stocks, bonds and economic indicators interact and how this information is reported in the media. Emphasis on reporting on the Federal Reserve, labor, consumer, manufacturing and inflation, as well as certain industries. Students research and write articles in these areas. (Taught 14 times through Fall 2016.)

JOMC 452 Business Reporting. 3 credits. *Developed new course*. Reporting and writing methods of business journalists, focusing on companies and industries. Understanding how and why companies operate, finding public records and information from Securities and Exchange Commission and other sources. (Taught 14 times through Spring 2016. Rewrote course content to teach online Summer 2005, Summer 2007, Summer 2008 and Summer 2009.)

JOMC 753 Reporting and Writing News. 3 credits. Students will learn the fundamentals of news writing along with beat and general assignment reporting and apply those skills to a variety of practical reporting and writing assignments. Topics include fundamentals of news writing, story forms and organization, interviewing, reporting techniques, general newswriting, feature writing, ethics, law, and the culture of news organizations. (Taught twice through Fall 2012.)

JOMC 754 Specialized Reporting. 3 credits. Reporting of complicated topics using in-depth backgrounding, investigative reporting techniques, story conferences, documents and other research data. Developed new course outline with class content focused on conversion of Blue Cross and Blue Shield of North Carolina. (Taught once.)

Have also guest-lectured in the following UNC-Chapel Hill courses: JOMC 101, The Media Revolution: From Gutenberg to Zuckerberg; JOMC 141 Professional Problems and Ethics; JOMC 253 Reporting; JOMC 431 Case Studies in Public Relations; JOMC 377 Sports Communication; JOMC 701

Mass Communication Research Methods; and JOMC 730 Public Relations Foundations.

Guest lectures at international universities:

University of Pretoria (South Africa, 2006)

Durban University of Technology (South Africa, 2006)

Stellenbosch University (South Africa, 2006)

University of Witwatersrand (South Africa, 2006)

North-West University, Potchefstroom campus (South Africa, 2006)

North-West University, Mafikeng campus (South Africa, 2006)

Durban University of Technology (South Africa, 2007)

University of Navarra (Spain, 2007)

University of Navarra (Spain, 2009)

University of Navarra (Spain, 2011)
