Notes:

- Cohort includes first-time first-year undergraduate students who entered the School of Media and Journalism as juniors between the fall 2006 and fall 2015.
- Not all summer 2017 graduations will be posted until after the middle of August.
- Graduation rates reflect most recently available data which may include retroactively awarded degrees, so graduation rates may not exactly match previous reports.

Notes:

- Cohort includes first-time first-year undergraduate students who entered the School of Media and Journalism as juniors between the fall 2006 and fall 2015.
- The cutoff date to calculate the retention rate is the fall enrollment data as of census time.
- N/A indicates that the cohort hasn't yet had the opportunity to enroll for the identified fall semester.
